To Whom It May Concern:

I am writing this letter of reference for Kfir Ben-Ari who has been working for us in our home since this past May. We very much enjoyed his food and creativity. He is a very good chef and has shown us many of his specialties

He is easy to work with and not temperamental like many chefs. He has a great European background and experience from his travels.

Sincerely,

A handwritten signature in black ink, appearing to read 'Roger Felberbaum', with a long horizontal flourish extending to the right.
