Re: Kfir Ben-Ari

To whom it may concern:

I am happy to provide a reference for Kfir Ben-Ari.

Kfir worked full-time as a Private Chef for our family for 16 months, from March 2022 through June 2023. During that time, Kfir managed the food service at our home in Bedford, New York and our apartment in New York City. He prepared lunches and dinners for our family and guests 5 days a week, and also cooked for larger parties for as many as 20-30 people.

Kfir was always a pleasure to have in our home. He was reliable and honest and worked well with our other staff members. He was gracious and polite, and he became quite close to our entire family, including our college-age children. Kfir's greatest strength is his tremendous passion for food. He has traveled the world and studied the cuisine of many cultures, and he easily prepares meals in the tradition of Western Europe, the Middle East, Latin America and Asia. He worked hard to find fresh, high quality ingredients, and his meals were a wonderful blend of flavors. Kfir was also willing to customize his meals to our taste, recognizing that various members of the family have different preferences and restrictions.

Kfir has my highest recommendation. Please feel free to contact me if I can provide any additional information, at dsolomon@hildredpartners.com.

Very truly yours,

David Solomon
